## **Louis B. Laves-Webb, LCSW, LPC-S**

---

Louis Laves-Webb, LCSW, LPC-S & Associates make it a priority to serve our clients with dignity and respect, while offering a multi-lensed approach to the practice of psychotherapy. Our mission includes: prioritizing the emotional needs of our clients, an overall reduction in suffering, and supporting sustainable growth for those we serve.

We also serve as a springboard for new practitioners working toward their advanced clinical licensure. We offer an all-encompassing and supportive private practice environment, where clinical associates can utilize their strengths, clinically mature, and establish themselves as professionals within our community.

---
